

NSA/CSS Evaluated Products List for **Optical Destruction Devices**

OVERVIEW

Devices included on this list have passed evaluation by meeting the requirements set by the NSA/CSS for the destruction of optical storage devices such as Compact Discs (CDs), Digital Versatile Discs (DVDs) and Blu-ray Discs (BDs). Meant to serve as guidance, inclusion in this document is not an endorsement by the NSA/CSS or the U.S. Government. All listed products sanitize TS/SCI and below.

QUALIFICATIONS FOR APPROVAL

Performance testing evaluates the device's ability to sanitize optical storage devices (through grinding, milling, cutting, disintegrating, or knurling) for

- CDs to a maximum edge size of 5 mm or less, and
- DVDs and BDs to a maximum edge size of 2 mm or less.

With a more stringent mandate for DVD and BD, equipment meeting this specification are identified as such.

Equipment is listed in alphabetical order by vendor. Models that are no longer manufactured but still approved are included.

Vendors submitting equipment for evaluation will no longer have their return shipping costs funded by NSA.

Questions about specific models not shown can be directed to the Center for Storage Device Sanitization Research at 301-688-1053 or CSDSR@nsa.gov.

WHAT YOU NEED TO KNOW

- 1. This list serves as guidance for the destruction of optical storage devices. Refer to the NSA/CSS 9-12 Storage Device Sanitization Manual for more information.
- 2. Remove all labels or markings that indicate previous use or classification.
- 3. Each device offers different convenience features, footprints, throughput rates and power requirements. Contact the vendor to identify the unit(s) best suited to your site's needs.
- 4. When a product is removed from the EPL due to security reasons a grace period of six years for continued usage is in effect for DoD customers. IC customers follow your organization's policy regarding this matter.

 Government Contractors should follow guidance/policy of their cognizant government industrial security oversight organization.

This document is updated on an as-needed basis. The procedures for administration and distribution of the EPL are subject to change without notice.
